## A sampling of some of our new products ...

### Perfect Roll

Sushi, savory rolls, potato rolls, marzipan rolls, granola rolls and herb butter – all made easily with this nifty device. Even includes recipes!

### Yolki

A cute, curvy, and most contemporary egg separator.

### Solar Sense Personal Scale

Batteries not included ... *because batteries are never needed.* Happily powered by any light source.

### Leifheit Storage Containers

Crystal-clear, watertight, airtight, and topped with a super, snap-tight locking mechanism.

### Pizza Stones

Pizzas, calzones, and other savory breads bake up crusty without a worry.

### Herb Cutter

A kinder, gentler way to prepare tender herbs for delicious dishes. Handy for cheese strips and other foods, too.

See them all at South Hall 1638

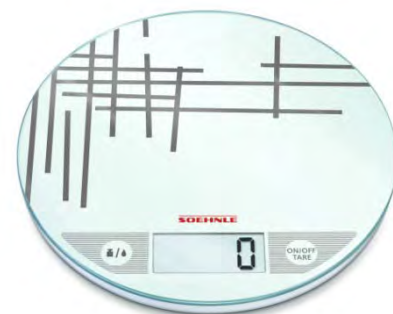

### **Page Profi Kitchen Scale**

The big brother of our popular Page scale, the Page Profi takes on heavyweights and measures accurately to within 1 g/0.1 oz.

### **Tenderizer**

Perfect tool for guys and grills. Tenderizes meats with ease. Scores bread dough for baking, too.

### **Flip Mikado Kitchen Scale**

Limited edition design with unlimited kitchen potential. Weighs both liquid and dry ingredients. Safety glass wipes clean.

### **New Cleaning Items**

Designed to make all those essential household tasks as quick and easy as can be.

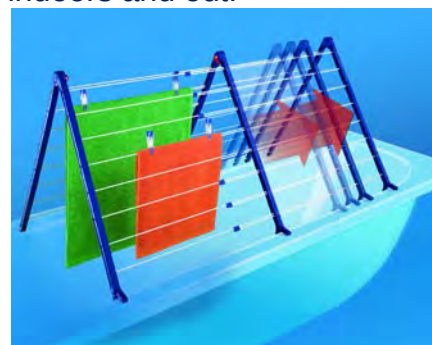

### **New Ladders & Step Stools**

The new Hailo collection lifts kids up to the sink and DIY enthusiasts up to the challenge.

### **New Drying Racks**

Mother Nature makes line drying economical and eco-friendly. Leifheit makes it a little more convenient – indoors and out.
